

Tris Flush

firstCompanion®
VETERINARY PRODUCTS

The Tris flush solution is designed for gentle cleansing and flushing of ears and skin. A refreshing cucumber melon scented formula powered by ketoconazole to combat fungal activity on dogs and cats.

Directions for use

Shake well before use. Apply liberally to the affected area(s). Apply twice daily or as directed by a veterinarian. Use cotton or absorbent material to clean excess solution and wipe away debris. Do not allow the animal to lick the treated area until dry.
