

A photograph of a horse and a dog. The horse is a dark brown color with white speckles, known as a dapple horse. It is standing and looking down towards the ground. In the bottom right corner, a small dog, possibly a Sheltie, is sitting and looking up at the camera. The background is a blurred green field.

Grooming

Animal Shampoo

A highly concentrated, all-purpose, coconut-scented shampoo designed for economical, every day bathing that helps reduce unpleasant odors and smells. Animal Shampoo contains a special agent that extends cleanliness, while also conditioning the coat to make it more manageable and lustrous. It is pH balanced, antistatic, and has excellent lathering action making it easy to rinse away.

ITEM	SIZE	CASE QTY
21254934	32 oz	6
14818847	1 G	4
18461554	55 G	1

Anti-Fungal Shampoo

This shampoo can be used as an aid in the prevention and treatment of fungal and bacterial infections in dogs and horses. This non-iodine, antifungal shampoo is gentle enough to use daily to remove fungal debris, while improving hair texture and enhancing coat color. Residual activity shields the skin and deters occurrence of undesirable skin conditions. Not safe for use on cats or kittens.

ITEM	SIZE	CASE QTY
14578478	32 oz	6
21254933	1 G	4

Citronella Shampoo

This concentrated citronella-scented shampoo deep cleans, while helping repel flies and mosquitoes. Citronella shampoo is gentle enough for every day use and can be used to remove dirt, grease, and excess oil from the hair and skin; leaving the coat shiny and silky.

ITEM	SIZE	CASE QTY
21253454	32 oz	6
21254931	1 G	4

Ear Mite Lotion

An insecticide-free solution fortified with lavender, lemongrass, and pennyroyal essential oils, and Aloe Vera to help soothe red, irritated ears associated with mites in dogs and cats.

ITEM	SIZE	CASE QTY
21253350	6 oz	6

Dewormers

Equistrength® (pyrantel pamoate) Paste

For the removal and control of mature infections of large strongyles as well as small strongyles, pinworms, and large roundworms in horses and ponies.

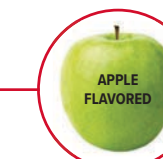

ITEM	SIZE	CASE QTY
19514747	23.6 g Tube	12

Ivermax® (ivermectin) Equine Paste

An effective, broad-spectrum paste that helps to control and kill internal parasites, including bots and the arterial stages of *Strongylus vulgaris*, with a single dose.

ITEM	SIZE	CASE QTY
21281762	6.08 g Tube	12
21302906	6.08 g Tube	100

Palatable & Effective.

Many of First Companion's equine products are flavored, making it a "treat" to administer medications and care for your horses!
